SPRING **2009** UPDATE

ABOUT THE READING PROGRAM

The Purpose

The purpose of the Reading Program is to encourage United Methodist Women members:

- to expand understanding of and participation in God's mission;
- to increase sensitivity to all human beings — their needs, interests and concerns;
- to encourage critical thinking about issues facing humanity today;
- to grow in understanding of Scripture as it relates to Christian faith in contemporary life;
- to enhance self-knowledge and to act from that knowledge; and
- to strengthen involvement in local and global Christian mission.

About the books

The Women's Division Reading Program Committee chooses the books. Suggestions come from many sources. Three evaluators — local members of United Methodist Women — read each book before the committee reviews it.

Many considerations influence the decision to choose a book:

- the purpose of the Reading Program;
- the relationship to United Methodist Women concerns;
- the approaches to issues, from familiar to new;
- the diverse membership of United Methodist Women;
- the cultures represented;
- the suitability for children and youth; and
- readability — print size and language.

*Bonus Books

BONUS BOOKS count as two books. They count either as two books in the same category or as one book in two different categories. For example, *The Greatest Gift* counts as two books in **Education for Mission**, *Amish Grace* counts as two books in **Nurturing for Community**, and *William Wilberforce*

The books vary in level of difficulty, type of print, and in suitability for study/discussion. Do you have suggestions, recommendations or comments about Reading Program books? Send them to the Reading Program, Women's Division, General Board of Global Ministries, The United Methodist Church, Room 1502, 475 Riverside Drive, New York, NY 10115; e-mail: bathomps@gbgm-umc.org. Please indicate title, author, publisher, date of publication and price.

The booklists for 2005-2009 can be viewed on the Reading Program Online Community, www.umwonline.org.

counts as two books in **Social Action**. For a full description of each title and to order, please visit the Mission Resource Center e-Store, www.missionresourcecenter.org

Promotional ideas for local and district units

- Join the Reading Program Online Community.
- Form an action team to work on an issue discussed in one or more books.
- Start a reading group of adults and/or children or youth. Meet regularly to share and discuss the books members are reading.
- Present reviews of Reading Program books at United Methodist Women unit and circle meetings, and on the online community.
- Take Reading Program books and *Response* to retirement and nursing homes. Read regularly to residents.
- Inform parents, grandparents and others with children and youth in their lives that books for children and youth are available through the Reading Program. Let Sunday school teachers know of their availability.
- Highlight large print book and book listings available for the visually impaired.
- Honor those who participate in the Reading Program. Order Reading Program certificates (#1531, 25 for \$4) from the Mission Resource Center to present to those who complete reading plans.
- Display progress charts in a prominent place, showing readers' names, books being read and the reading plans being followed.
- Show special recognition to units and/or individuals who complete Plans III and IV.
- Capture interest by attractively mounting quotations from Reading Program books and posting them throughout the church. Include title, author name and publisher, year title was featured on list and that United Methodist Women is the source of these books with each quotation.
- Develop displays — permanent and portable — to encourage book sales, especially around holiday seasons and vacation times.
